

# Southern States® 40% Swine and Poultry Supplement

## **Product Purpose:** Southern States® 40% Swine & Poultry

Supplement is designed to mix starter, sow and grow-finish complete diets on the farm. This supplement helps reduce your inventory and makes things simple for on-farm mixing. In addition, Southern States® 40% Swine & Poultry Supplement can be used with homegrown grains to maximize savings.

This supplement is for mixing complete swine and poultry feeds.

## **Features:**

- Designed to mix starter, sow and grow-finish diets on the farm
- Allows producers to utilize homegrown grains or locally grown grains
- Conveniently designed to eliminate the need to purchase soybean meal separately
